

Geometric bracelet

Although I've been beading for about 10 years, it never occurred to me that someone other than myself would be interested in my work. I was at my local bead shop in West Palm Beach (Crystal Creations/Beads Gone Wild) and the owner saw some of my designs and encouraged me to submit them to *Bead&Button* for publication. I design many of my own patterns and thought this one was especially colorful. The peyote stitch bracelet measures 6½ x 1⅜ in. (16.5 x 3.5 cm).
