Zoom in on two interlocking motifs for a bracelet that gives you star power.

See the stars

I took a new approach to a classic symbol by bisecting an interlocking star motif and stacking the arrangement for maximum impact. Your eye follows the movement of the pattern, allowing you to reassemble the star shapes. It can be worked in numerous colorways, from bright and fun to evening glam. This pattern is stitched in even-count peyote stitch (Online Basics) to measure 6⁷/₈ x 1 in. (17.5 x 2.5 cm). Attach a three-strand slide clasp to wear it as a bracelet.
